"WILLIAM H. TAFT." TAFT URGES PAYING FRIARS. WASHINGTON, Jan. 20 -Secretary Taft thinks the United States would be getting off cheap if it paid the Catholic Church in the Philippines \$500,000 for damage done to its churches by United States troops. The Church has

put in a claim for \$2,500,000. The Secretary told the House Committee on Insular Affairs so this afternoon. He was backed up by Lleutenant Colonel Hull, judge advocate of the Department of the East, who was chair man of the army board which recommended \$363,00 in full settlement

Secretary Taft said that United States troops undoubtedly had damaged the churches and even looted them during their occupation of the structures as temporary barracks. He explained that the Church in the islands was poor because it was dependent on a poor population.
